Dear Andrew,

I'm so glad to hear that you're coming to Taiwan during June.

I would like to take you to Kenting, a famous tourist spot in Taiwan. We can walk along the beach and immerse ourselves in the breathtaking view at the same time. Kenting is such a beautiful place that we definitely have to pay it a visit.

Tainan is also a city that I would like to introduce to you. This place is famous for its local delicious cuisines. We can enjoy a variety of food there. In addition, if you want to experience the culture, Tainan will undoubtedly be the first choice. There're still a lot of tourist attractions in Taiwan waiting for our visit. I'll make a plan for our trip so you don't have to worry. In short, I'm looking forward to your coming and I'm sure that Taiwan's lovely view will impress you the most.

Sincerely,

Stacy.
