五、閱讀測驗

Indonesia’s Defense Minister on October 14, 2002 blamed al-Qaida and its allies for the bomb attack. More than 180 people were killed at a nightclub on the resort island of Bali. Fearing that terrorists could strike again, thousands of tourists were fleeing from Bali. There used to be known as paradise, but now it is like hell.

Indonesia’s Top Security Minister said that terrorists may target vital oil and gas installations later. The bombings forced travelers and tour operators to temporarily cancel trips there. The Ministry of Foreign Affairs in Taiwan also issued a temporary ban on group trips to Bali. Foreign governments called for inquiry into the blasts. By feeding fear and uncertainty, economists declared that the blasts could put a new roadblock to the global economic growth.

46. Where did the bomb blasts happen?
   (A) Bali (B) al-Qaida (C) Paris (D) Hell
47. According to the article, why did tourists flee from Bali?
   (A) Bali had too many tourists. (B) There were too many roadblocks there.
   (C) There was no gas there. (D) Bali was in danger at that time.
48. According to the article, what might be the next target of terrorists attack?
   (A) Paradise (B) Resort island
   (C) vital oil and gas installations (D) Nightclubs
49. Under the influence of blasts, what would the world economy tend to be?
   (A) Not clear (B) Worse (C) No difference (D) Better
50. What impact did the blasts bring to the tourism?
   (A) People were forced to cancel the trips temporarily.
   (B) The travel business was prosperous.
   (C) Taiwan government encouraged group trips to Bali.
   (D) Foreign governments called Indonesia for tour guides.
