五、閱讀測驗

Jack was always interested in reading even when he was quite a small boy. He was not a very practical person and did not think very much about his future while he was at school. When it was time to get a job he looked at several advertisements in the paper. He finally saw one which required an assistant to a bookmaker. He thought that this would be the ideal job for someone like himself who was interested in books. Imagine his surprise when he went for his interview and learned that a bookmaker is somebody who takes bets on horses.

46. According to the paragraph, what did Jack like when he was a little boy?
   (A) Candy.  (B) Books.  (C) Horses.  (D) Baseball.

47. What do we know about Jack when he was at school?
   (A) He was an obedient child.  (B) He was concerned with his career.
   (C) He did not make plans for his future.  (D) He enjoyed working as a teaching assistant.

48. Where did Jack get his employment information?
   (A) From an assistant to a bookman.  (B) From an employment agency.
   (C) From a fortune teller.  (D) From a newspaper.

49. Why did Jack first think that the job was suitable for him?
   (A) Because he detested gambling.
   (B) Because he was fond of reading.
   (C) Because he loathed working with other people.
   (D) Because he hated the assistant who was working in the school library.

50. How did Jack feel as soon as he realized what the job of a bookmaker was about?
   (A) He was astonished.
   (B) He became angry.
   (C) He loved books more.
   (D) He wanted to be an assistant.
