Dear Andrew,

I am glad to hear that you will visit Taiwan in June. I really can't wait to see you! Taiwan is the paradise of delicacy and also famous for night markets. There are a variety of food in night markets, such as pearl milk tea, stinky tofu ect. I think that you will be satisfied with all kinds of food.

In addition to food, there are a great number of tourist attractions in Taiwan, such as Mt. Ali, Jiufen as you named it. I will take you to go the Mt. Ali and feast our eyes upon the sunrise and sunset. Then, we can take the train of Mt. Ali to see gorgeous view around Mt. Ali. The other day, we can visit Jiufen. There is no doubt that Jiufen is one of the most famous tourist sites in Taiwan. There are several antique buildings in Jiufen, and we can also realize the story, gold dust, of Jiufen.

Hope that you will enjoy the journey in Taiwan. I am looking forward to your visit very much.

Sincerely,

Stacy
