Dear Andrew,

I am excited to hear that you are coming to Taiwan in person this time. It has already been several months since I met you in America. In order to make some fantastic memories, I am planning to bring you to a night market. Night market, which is extremely popular among foreigners, offers many traditional Chinese specialties. One of my favorite drinks is "pearl milk tea" which is originated in Taiwan. As there are a variety of fruits in Taiwan which contain full nutrients, many vendors sell delicious juice. In addition to drinks, grilled octopus is also one of my favorite dish. Due to the location of Taiwan, sea food is different from other countries. You can have a sweet taste of it. Moreover, bargaining in the night market makes you save some money to buy clothes and shoes in Taiwan. I am looking forward to seeing you and bringing you to the sight. Please bring your camera so that we can record the memories we have.

Sincerely,

Stacy
